## Our 2023-24 Season

Dear Loyal VACT Friend,

VACT is thrilled to bring another season of amazing local theater to audiences! This season we will once again be presenting ten productions. Our season includes four full length musicals and four junior/kids musicals, in addition to our third season for our senior musical, a show with a cast exclusively for those aged 55+. Finally, we are thrilled to be the producing theater for the world premier of a brand new play this season, presented as part of the American Association of Community Theatre's New Play Fest. VACT was one of only six theaters across the country selected to present a play as part of this program. We are also excited to bring another year of theater and music classes to youth, workshops for adults, as well as continuing to offer dance classes as part of the Verona Youth Dance program, our highly successful partnership with the City of Verona Recreation Department. We are delighted to have you join us for our 33rd season! Your support will allow us to continue to reach new theatrical heights alongside members of the greater Verona area and surrounding communities.
