Do you know what your city council is up to?

Wisconsin law says it's your right to know – but that right may be going away.

Under Assembly Bill 70, school boards, city councils, village boards and county boards would no longer be required to print a summary of their actions in your local newspaper and on the statewide public notice website, www.WisconsinPublicNotices.org.

Call your state Representative now and tell them you want your local government's business to remain in your local newspaper and on the statewide public notice website, www.WisconsinPublicNotices.org.
